To Whom It May Concern,

My name is Patrick Fortner and I am the General Manager of The Newport Beach Chart House. All Chart House restaurants on the west coast provided complimentary valet service until about two years ago. My store and others, converted to a pay \$3 service, convinced that the transition would be seamless and that our guests would not be disappointed with the change. Sunset Valet was correct. I have not fielded a single complaint since the conversion. My previous valet service was less than adequate and created some sort of problem nightly that I was forced to diffuse. I have been completely satisfied with Sunset Valet and would recommend them highly.

If you have any questions about Sunset Valet or the conversion itself don't hesitate to call.

Sincerely,

A handwritten signature in blue ink, appearing to read "Patrick Fortner".
