To Whom it May Concern

It is my pleasure to recommend Michael Harth and Sunset Valet Service to you. My professional relationship with Sunset Valet goes back almost 16 years.

I have worked with Sunset Valet both in Hillcrest and in the Gaslamp Quarter and I can tell you that the training, attitude, and appearance of their staff is top rate. I cannot say this about other Valet Companies (big and small) that we have "tried" to work with.

Of all the vendors we deal with, one of the most difficult to contract with is valet services. Promises are easy to make and very few companies keep them the way Sunset Valet does. If you were to look up "integrity" in Webster's, I believe that you would find a photo of Michael alongside the definition.

Please feel free to contact me regarding any further information.

Sincerely,

David Cohn
President
